A. Brief, clear statement of grievance:

I was served by A.B. not cell and 7-23-08 from A.B. block. Five phones turned over
Giffen contact. Giffen formally filed our grievances against A-block and unpermitted
operations on Minn. Avenue steps, also forthwith by telephone my son Eric
which I do. I do not believe Eric's actions are to A-B creation of additional difficulties
and grievances just myself. I think the additional I brought the matter to the
Speaker before him and asked him what he will do or who else I
should get to speak with him to our mutual friends. However
he could have done it all alone if he wanted? and the Hell, why have I been
and the Captain telling, during I never thought until now the Captain told
about the A-B block. I was told about the A-B block is in a building
that never planned for 9 steps or more, and not more than 8 steps
as there is no space around them. And also stated, as well as informed

B. Actions taken and staff you have contacted before submitting this grievance:

He will be given the order to offer any of the spare ammunition
which he wants, or any other useful things he wants. He will

Complete Detailed Description of Incident (if force is used, include an account of events leading to a use of force, reasons for employing force):

As I was entering I BIK I was backslapping into the pod while talking to Inmate Crockett. As I was turning around something struck me on the left side of my head. I fell to my knee and was struck on the right side of my head. Initially I thought the door had closed on my head, however after the 2nd punch I realized that an inmate was punching me. After the 2nd punch I grabbed the inmate around the waist and forced him against the ~~back~~ wall located in the front of the vestibule. At that time Officer Williams and Greinbauer subdued the inmate by grabbing his arms. Officer Williams then handcuffed the inmate. He was then taken to the dispensary. The officer used minimum force to handcuff the inmate. After the 2nd punch.

Inmate Williams was handcuffed & taken to the dispensary.

I was taken to the dispensary and rec'd initial medical treatment. I was then taken to the Pottsville Hospital when my lacerations were treated and my RT. eye was flushed.

The following is a summary of my findings regarding your grievance:

This response is in regard to your grievance concerning your property.

Our records indicate that the photographs were mailed to you on February 18, 1999 and the box of legal material was shipped to you on February 23, 1999. I also managed to locate the radio and I will be shipping it to you as soon as the Business Office verifies that you have the money in your account to pay for the shipping costs. Since the radio was not in your possession at the time of your confinement to the RHU, the institution will not be responsible for the shipping cost.

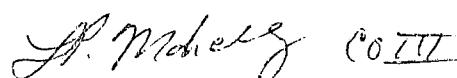

This grievance is resolved.

no plan! Yes, the Recount-slip was construed to be Hostile & threatening toward Mr. Spaulde I-Block Unit Manager. I told him before about staying comes with me. I tried being somewhat nice to him until I'm here to serve also is to see who's not to harass or certain staff, who doesn't approve of my past behavior at other Jails. I done what I've done. I'm not likely to kiss his ASS. in order for him to do his Job. contractually me witness Mr. Sharp DE 2942 also heard me of MR. Spaulde reports toward me. Mr. Spaulde (He likes to sign the Work NO H-H-CO Prod Log which is required to all visitors upon entering this area. I AM going to see if (a Kiatka) goes Mr. Spaulde approach me (or) with no hostile attitude toward me, which he's the Block heard. Yet, he doesn't mention any of this in his report? All this P.S. about every chance he'd get, he's going to make it hard on me, especially after I update (Report) clarifies. He fact-up this time, because half the P-H-CO heard (his little threats). I'm not doing nothing to no-ones or the Scott about him. I'm presented to handle this one myself. What he should done was (Read) once JACKET. And see exactly what I was in the P-H-CO for. It has an problem taking care of myself. I never denied writing that Recount-slip. I never do any actions. Now I want to see what he's made of. I did 8 years total in those 4-4-6 doing 2 more years (which) is different to me. I guess like personal matters fuck him and the Horse he rode, on. I don't do any running from no-staff. What he should of done was write me up under the P-A-Code, class 1 or 2. A threatening staff not another person. One thing I like about staff here they don't believe shit staff until it hits them. I don't allow staff to play and harass me. Nor do I play and harass staff. Yet not in 1999 big the year 2000 I will be released back to population all I got is fine after I received this street time (over-cases) I'll be back to jail return back to Camp Hill S.M.C. because, I've no street time back. James Williams has refused to appear for today's 30-day review. However, his reports are significantly improved over last month's, and he is described as respectful and making good use of his time while in the RHU. The DC time expires on 2/5/99, and there is no reason why he cannot return to his former housing unit.

Upon return to his former housing unit on 2/5/99, he is encouraged to avoid further misconducts, seek out a responsible job assignment, and involve himself in programs which have been recommended by the Unit Team.

5. NARRATIVE

INTERVIEW WITH VICTIM SPAIDE:

* SPAIDE stated: "I was coming to the block from outside. I saw CROCKET and I asked him how he liked his job. I went to B Pod and went to the door. I was still talking to CROCKET and I was kind of backing into the Pod. The first hit was on the left side of my face. I thought it was the door that hit me. I realized I was holding the door and the second one hit me on the right side of my face. The first punch knocked me to my knees. After the second punch I realized what was going on. I saw the brown pants and I knew it was an inmate. After the second punch I grabbed him around the waist and I pulled him towards my body. I could feel him punching and hitting me. It was probably a total of four more times that he hit me. I was covered up and I don't think he could get a good shot. The CO came over and broke it up and cuffed the inmate. It was all over pretty quick, probably only fifteen seconds. I went to medical with an officer and they recommended I go to the hospital because my contact lens shattered in my eye."

I told SPAIDE the suspect was alleging that SPAIDE was harassing him. SPAIDE stated: "He was having a problem with his cellmate and he wanted a cell change. I wouldn't let him change because I have certain rules I go by and he wasn't eligible at this time. He also wanted to go up stairs and I usually don't put level four inmates up stairs. He went to the RHU because of a problem with his Commissary. I was told he wasn't going to the RHU by he wanted to go to the RHU. Usually if someone goes to the RHU they don't come back to the same cell, so I think that is what he thought would happen. I got the threatening request slip from him and I went and talked to him about it. He told me he wrote it and he said it was a threat. I wrote him up and he got another 60 days. I knew he was getting out of the RHU on Friday night and I had him put back in the same cell. I figured we would deal with it when he was back on the unit."

SPAIDE indicated he wasn't specifically targeting the suspect and he was only following his aforementioned procedures.

Following the interview I spoke with Capt MICHAELS. He indicated the suspect would immediately be transferred to the State Correctional Institution at Coal Township. He indicated the suspect would be transported back to S.C.I.M. for the purpose of Preliminary Arraignment and Preliminary Hearing as long a sufficient notice is provided.

C.L.E.A.N. message MYC541-74220 was transmitted to the Commissioner and Deputy Commissioner of Operations as per A.R. 9-6, 6.11, see attached copy.

RE: Proposed Performance Appeal
(U.S. Attorney)

Dear Mr. Garguilo:

I am writing to you in reference to the papers listed below
which I will furnish you as soon as possible. This is my
first response. I will furnish them upon your request. I have
not yet seen the papers so that would be the earliest I
would do.

Very truly yours,

I. Schlesinger, Executive Director of the
debtors' Protection Fund and the Bankruptcy
Litigation Fund, Inc., and its staff

On March 12, while based at U.S. House of Representatives
in Washington D.C., you and your fellow members of Congress
and the House Judiciary Committee considered the Bankruptcy
Compromise Act proposed by Rep. G. E. Miller.

During the House debate of March 12, Rep. G. E. Miller
stated that the bill was "the result of a process of
negotiation and compromise between the House and the Senate and
by and large it is a good bill." He further stated that the bill
had been "carefully crafted to provide a sensible and workable
solution to the problems of the bankruptcy system."
